Dispute Resolution

In April 2016, the *'reliable and cost-efficient'* Primus, Attorneys at Law expanded its international reach by forming an alliance with Varul in Lithuania, effectively incorporating the firm. The practice has special expertise in international arbitration as well as sector strengths in construction, finance and energy. *'Quick, precise and thorough'* practice head in Primus Estonian office Anton Sigal represented Osula Graanul in several administrative proceedings concerning the construction and operation of a wood pellet plant as well as a combined heat and power (CHP) plant. He also acts for the Republic of Estonia, Elering and VGP. Associate Liis Könn is another key contact.

Primus Lithuanian office acts in complex disputes, including shareholder, IT and employment matters. Practice head **Marius Devyžis** and senior associate **Martynas Kalvelis** successfully represented the Lithuanian Football Federation (LFF) in arbitration with a football club and its players, which appealed against the LFF's disciplinary sanctions on the club for match-fixing. Other clients include Aecom and Eesti Energia. Managing partner **Robert Juodka** is recommended.

Primus Latvia has an *'excellent'* team, which is acting for food retailers in litigation pertaining to alleged defamation and false information published by an internet portal. Other clients include KPMG Baltics and Alpha Shipping. **Sintija Radionova**, newly promoted partner **Mārtiņš Mežinskis** and senior associates **Konstantīns Teļakovs** and **Andis Ozoliņš** are recommended.

EU and Competition

Primus Latvia is representing Besecke in contesting the LCC's finding of bid rigging by public utilities in procurement of building works and installation of electrical fittings. **Zane Eglīte-Fogele** and senior associate **Andis Ozoliņš** are key contacts.

Employment

At Primus Lithuania practice head **Giedrė Dailidėnaitė** is 'dedicated to clients' and has been retained by Assa Abloy to handle layoffs and other issues connected to the closure of a business. Senior associate Odeta Maksvytė is also highly regarded.

Primus Latvia fields various 'excellent individuals', including **Sintija Radionova** and **Laura Zalāna**. The group assisted TAV İşletme Hizmetleri with launching its subsidiary TAV Latvia Operation Services, including advising on new hires, employment agreements, job descriptions and disciplinary regulations.

Projects and Energy

Primus Lithuanian office has strength in the energy and natural resources sectors. Managing partner and practice head **Robert Juodka** regularly advises Eesti Energia on a range of matters, including environmental issues and regulatory issues concerning cogeneration plants. Associate partner Liutauras Baikštys and PPP expert **Tomas Venckus** are recommended.

Real Estate and Construction

The team at Primus Lithuanian office recently advised a manufacturer on participating in a public tender to build a combined heat-and-electricity production plant. Arlanga and Empower are clients. **Ernesta Žiogienė** and managing partner **Robert Juodka** head the team, which includes public procurement and PPP expert **Tomas Venckus**. Rolandas Galvėnas left to establish his own practice.

Primus Latvia has handled construction and development mandates in the residential sector and various energy and transport infrastructure projects. **Kristīne Gaigule-Šāvēja** is advising TAV Airports Holding on various matters, including the expansion of Riga International Airport's passenger terminal. **Sintija Radionova** and **Laura Zalāna** are highly regarded.

Shipping and Transport

At Primus Lithuania managing partner and practice head **Robert Juodka** is advising Lux Express on various matters, including new bus routes and temporary agency work. Other clients include Turkish Airlines and Rosgosstrakh. **Tomas Venckus** is recommended.
